

**Serajoddin Vahidi M.D.**  
*Urologist/ Endourology Fellowship*  
Reproductive sciences institute  
Yazd, Yazd  
*Postal code: 8916877391*

*Telephone: 035-38247085-6*  
*e-mail: s.vahidi@ssu.ac.ir*

---

---

**EDUCATION**

1969 – 1975 High school Diploma - Nobonyad High school – Maybod –Iran.

1975 – 1983 M.D. Degree – Medical School – Isfahan University – Isfahan –Iran.

**POST GRADUATE TRAINING**

1989 – 1993 Shahid Beheshti University of Medical Science – Tehran –Iran  
Residency in Urology

---

---

1993 – 1994 Labbafinejad Medical Center – Tehran Iran  
Fellowship in Endourology

**POST DOCTORAL WORK**

1994 – 2000 Department of Urology Shahid Sadughi University of Medical Science – Yazd-  
Iran.

2001 – 2003 Assistant Professor of Urology  
Department of Urology Shahid Beheshti University of Medical Science –  
Tehran Iran.

2003 – 2007 Assistant Professor of Urology  
Department of Urology Shahid Beheshti University of Medical Science –  
Tehran Iran.

2008 up to now Associate Professor of Urology  
Department of Urology Shahid Sadughi University of Medical Science – Yazd  
Iran.  
Associate Professor of Urology

**PROFESSIONAL APPOINTMENTS**

1994 – 2001 Shahid Sadoughi University of Medical Science – Yazd - Iran.  
Director of the Research and Clinical Center for Infertility

1996 – 2001 Shahid Sadughi University of Medical Science- Yazd –Iran.  
Vice Chancellor

2012 – up to now Shahid Sadughi University of Medical Science – Yazd- Iran  
Chairman of Department of Urology

## PRIVATE PRACTICE

- 1985 – 1986 Secretary of relief and remedy committee for war wounded  
1989 – 2004 Member of Parliament of I.R.Iran, representative of Yazd province  
1989 – 2004 Member of health committee of the parliament  
2003 – 2004 Head of health committee of the parliament  
2003 – 2004 Counselor of the High Council for Cultural Revolution of I.R.Iran.

## MEDICAL AND SCIENTIFIC SOCIETIES

- 1993 up to now Member of the Iranian urological association  
1993 – 1999 Counselor of the Research Council of Shahid Sadoughi University of Medical Science – Yazd- Iran
- 1999 –2003 Secretary of the Iranian Society for Reproductive Medicine.  
2003 up to now Member of The Iranian Society for Reproductive Medicine.  
2002 up to now Member of the Iranian Endourological association.  
2003 up to now Member of the Endourological Society.  
2002 up to now Member of the Iranian society of physicians.  
2001 up to 2007 Member of the research committee of the urology and nephrology research center.  
2003 to 2007 Counselor of the Iranian preboard committee of urology  
2007 up to now Member of Research Committee of the Yazd Clinical & Research Center for Infertility.

## COMMITTEE APPOINTMENTS

- 2017 up to now Head of the Iranian urological association branch of Yazd

## POST DOCTORIAL CONFERENCES

- 1- S.Vahidi: leukocytospermia and male infertility, 3rd seminar and 5th workshop in advanced infertility DX & treatment. Rooyan institute, Dec 1995.
- 2- A. Basiri; S.Vahidi; Mahmoody: Comparison of endopyelotomy and open surgery for UPJO in childrens. 6th international fediatic congress, Tehran, Oct 1994.
- 3-
- 4- S.Vahidi: Ejaculation disturbances: 2nd seminar in advanced infertility DX & treatment. Rooyan institute, April 1997.
- 5- 4. A. Basiri; S.H. Tabatabaee; S.Vahidi: Endopyelotomy first choice procedure for UPJO treatment. 11th congress of surgery.
- 6- S.Vahidi; A. Rahmani: Partial penectomy in penis cancer. 6th congress of Iranian urological association, June 2003.
- 7- 6. S. Vahidi: Historical abstract of male infertility. 6th congress of Iranian urological association, June 2003.
- 8- S. Vahidi: The role of research on development: Yazd & development, May 2004.
- 9- S. Vahidi; M.A. Khalili: Percutaneous epididymal aspiration and microinjection as the main treatment for obstructive azoospermia. Middle east fertility society journal, Nov 1997.

- 10- S. Vahidi; Moshtaghion; S.M. Kalantar: Comparison of success rate between epididymal and ejaculated spermatozoa in micro injection program. Middle east fertility society journal, Vol 3, Supp 3, Nov 1998.
- 11- S.Vahidi; S.M. Kalantar; Soleimani: Comparison between sperm parameters aspirated from epididymal of RT and LT testis. Middle east fertility society journal, Vol 3, Supp 3, Nov 1998.
- 12- S.Vahidi; S.M. Kalantar; Hajesmaeili: Comparison the outcome of treatment cycle in obstructive azoospermic men between TESE and PESA. Middle east fertility society journal, Vol 6, Supp 2, Nov 2001.
- 13- . S.Vahidi; H. Dehghani; Z. Kalani: Needs for young couple about sexula activity, first national seminar sexuall problems in couples. Oct 2003.
- 14- S.Vahidi; N. Simforoosh; A. Zafarghandi: Electroejaculation and intraturine insemination for treatment of male infertility due to spinal cord injury. First national congress in spinal cord injury, Sep 1993.
- 15- S.Vahidi; S.M. Kazemeini; M.A. Karimzadeh: Fertility retrograde ejaculation, by sperm retrieval from urine and intrauterine insemination. 5th seminar in fertility and infertility, May 1991.
- 16- S.Vahidi; M.A. Khalili: The effect of pentoxyphylline on motility and morphology of testes and epididymal sperm. 6th congress of iranian urological association, June 2003.
- 17- S.Vahidi: Indication for embryo donation in male infertility. 7th congress of iranian urological association, June 2004.
- 18- S.Vahidi: The Evaluation of ejaculation spermatozoa Chromatin condensation and DNA infertility in couples with recurrent pregnancy loss. Iranian Journal of Reproductive Medicine. Vol.7, Supp.1, Winter 2009.

## **PUBLICATIONS**

### **Books :**

- 19- 1 - WHO manual for the standardized investigation and diagnosis of the infertile couple. ( Translated to Farsi 1999 )
- 20- 2 - Iranian fertility infertility abstract ( in Farsi – 2001 )
- 21-

### **Papers:**

#### **RESEARCH PROJECTS**

1. Evaluation of PESA ICSI results in the treatment of 70 people with obstructive azoospermia referred to Yazd Infertility Center , 1995
2. Evaluation of the effect of pentoxifylline on motility and morphology of sperm, 1996
3. Determining the prevalence of diabetes and statistical parameters of blood sugar in Yazd province, 1997

4. Evaluation of ICSI and TESE methods in the treatment of infertile men with azoospermia, 1997
5. Results of 20 cases of non-obstructive azoospermia therapy by intrathecal injection of spermatid (ISCI), 1998
6. Evaluation of the effect of cryopreservation on sperm morphology and motility in infertile men with oligospermia, 1998
7. Evaluation of the relationship between normal sperm AND test and fertility results in 100 IVF cycles in male infertility couples, 1998
8. Health and disease study in Yazd province Bahar 78,1998
9. Evaluation of scientific research journals of medical universities of the country by analyzing the reference collection of journals, 1999
10. Investigating the training needs of young couples in the field of marital relations, 1999
11. Chromosomal examination of infertile men who are candidates for ICSI, 1999
12. Investigating the relationship between sperm chromatin disorders and recurrent miscarriage, 2008
13. Investigation of chromatin structure of sperm DNA of spinal cord men, 2008
14. Causes of different types of kidney stones in people under 15 in Yazd province, 2009
15. The effect of varicocele on DNA apoptosis fragmentation and sperm chromatin structure, 2012
16. Implementation of trauma registry system in the emergency department of Shahid Rahnemoun Hospital, 2016
17. Determination of sperm telomere length in oligosperm men compared to normosperm, 2017
18. Evaluation of Y chromosome deletions in male azoosperm or oligosperm candidate Micro-TESE, 2017
19. The effect of synthetic seminal fluid on microstructure, DNA integrity and expression of genes associated with spermatozoa apoptosis in azoospermic males, 2018
20. The effect of in vitro application of pentoxifylline on sperm ultrastructure and fetal morphokinetics in azoosperm patients, 2019
21. Psychometric evaluation of a active bladder questionnaire among the population of Yazd province, 2020
22. Comparison of single sperm freezing at two different times in azoosperm individuals: evaluation of sperm morphology, oocyte activation potential and fetal morphokinetics, 2020
23. Evaluation of the therapeutic effect of synbiotics in the treatment of idiopathic oligoasthenospermia in men, 2020

#### **PERSONAL DATA**

##### **DATE OF BIRTH:**

- 28/4/1957

##### **PLACE OF BIRTH**

- Yazd- Iran

##### **LANGUAGES**

- Persian / English
